## EXPLANATORY STATEMENT

### Explanatory Notes

The *University of Canberra (Statutes Interpretation) Statute 2010* repeals the *University Statutes Interpretation Statute 1991*. The new statute reflects updated terminology used within the University. The substantive change, incorporated in subsection 10(1), facilitates the communication and publication of University statutes and rules in electronic form, specifically on the University's web site UC Online. Electronic communication was not possible under the provisions of the previous Statute.

In making this Statute the University had regards to the provisions of section 40B(1)(b) of the *Human Rights Act 2004* (ACT).
