Details

In March 2000 City Sightseeing Pty Ltd were granted a Bus Operator's Licence to operate a unique tourist style regular route bus service in the ACT. This service requires a terminal where one vehicle can be loading passengers for a variable period of time. The buses have been using the bus stop on Northbourne Avenue since that time. Regulation 57A was introduced in 2001.

The exemption will allow City Sightseeing Pty Ltd to layover one bus only at any point in time at the bus stop located adjacent to 43-45 Northbourne Avenue Canberra.
