

AUSTRALIAN CAPITAL TERRITORY

BUILDING REGULATIONS (AMENDMENT)

EXPLANATORY STATEMENT

No. 26 of 1984

The Building Regulations (Amendment) (the amending Regulations) amend the Building Regulations (the principal Regulations) as follows:

Regulation 1 inserts in the principal Regulations a new regulation 15 which prescribes certain kinds of building work to be specialist building work for the purposes of the Building Ordinance 1972.

The Schedule amends Forms 1 and 2 of the principal Regulations to provide a space for an applicant for a licence to indicate specialist building work for which authorisation is sought.

The Australian Capital Territory House of Assembly has agreed to the amending Regulations.
