

AUSTRALIAN CAPITAL TERRITORY

Explanatory Statement

No. 14 of 1980

Regulations to amend Regulations 1980 No. 3

Reprints of the regulations made under Ordinances of the Australian Capital Territory in pamphlet form, as part of a complete collection of pamphlet reprints of A.C.T. laws, are in the course of preparation.

Before the regulations are reprinted, it is desirable to:

- effect decimal conversion of certain amounts;
- effect amendments to remove unnecessary matter;
- correct errors and make other changes of a formal nature.

For those purposes regulations revising certain existing Australian Capital Territory regulations were made by Australian Capital Territory Regulations 1979 No. 26 in November 1979 and Regulations 1980 No. 3, gazetted on 25 March 1980.

The present regulations are designed to effect further changes of a formal nature to regulations dealt with by Regulations 1980 No. 3 and thus are retrospective to the date of gazettal of those regulations.
