

AUSTRALIAN CAPITAL TERRITORY

REPEAL OF THE CANBERRA AND JERVIS BAY ELECTRIC SUPPLY
REGULATIONS

EXPLANATORY MEMORANDUM

No. 2 of 1976

The Canberra and Jervis Bay Electric Supply Regulations made under the Building and Services Ordinance 1924-1968 have been repealed.

The repeal of these regulations is necessary because in the A.C.T. electricity is now supplied under the A.C.T. Electricity Supply Act 1962-1973 and in the Jervis Bay Territory electricity is supplied by the Shoalhaven Council to the Naval Base who in turn supply to the local residents.
