LIQUOR REGULATIONS

EXPLANATORY MEMORANDUM

No. 22 of 1975

The Liquor Regulations made under the Liquor Ordinance (No. 3) 1975 provide the machinery necessary for the operation of the Ordinance.

Fees and allowances, as recommended by the Remuneration Tribunal in its 1975 review, are prescribed for payment of the Chairman and members of the Liquor Licensing Board. The remainder of the Regulations prescribe forms for such matters as applications for licences, renewals of licences, permits, and certificates of liquor purchases, necessary for the administration of the Ordinance.
