

AUSTRALIAN CAPITAL TERRITORY

SURVEYORS (EXAMINATION AND REGISTRATION) REGULATIONS

EXPLANATORY MEMORANDUM

No. 4 of 1970

The proposed amendments to the Surveyors (Examination and Registration) Regulations will provide that each applicant for registration must gain fifteen months practical experience in land boundary surveys before being registered as a surveyor in the Australian Capital Territory. These amendments will bring the Surveyors (Examination and Registration) Regulations of the Australian Capital Territory into line with those applicable in the States and New Zealand.
