## ROAD TRANSPORT (SAFETY AND TRAFFIC MANAGEMENT) ACT 1999

## ROAD TRANSPORT (SAFETY AND TRAFFIC MANAGEMENT) REGULATIONS AMENDMENT (No 1)

### SUBORDINATE LAW No 2003-12

### EXPLANATORY STATEMENT

#### Overview/ Detail

The *Road Transport (Safety and Traffic Management) Regulations 2000* have been amended to insert provisions to allow for a 50km/h default speed limit in a built up area. As a consequence, amendments are made to the *Road Transport (Safety and Traffic Management) Regulations 2000* to allow for exemption from Australian Road Rule ARR 25(2).
