

EXPLANATORY MEMORANDUM:

AUSTRALIAN CAPITAL TERRITORY

AMENDMENT OF THE MOTOR OMNIBUS REGULATIONS

No. 11 of 1958

The bus stops in Lonsdale Street are not at present included in the Second Schedule to the Motor Omnibus Regulations.

Traffic in Lonsdale Street has increased and it has become necessary to prevent parking by reserving an area for the buses at each stopping place.

The stops are, by this amendment, included in the Second Schedule and it will be an offence (under regulation 13 (3) of the Motor Traffic Regulation) for any person to stop or park a motor vehicle, other than an omnibus, on these stops.
