

General Explanatory Notes

A. Overview of fees

To allow nil fees for applications for grant of land and consolidation, in the cases where an applicant for a further rural lease is consolidating adjacent or agisted land into the lease.

B. Commencement

The determination is framed to come into effect on the date that this document was signed by the Minister for Urban Services.

C. No retrospectivity

Note that the fees provided for in this instrument do not have a retrospective effect because the regulatory scheme will only come into effect on commencement (see also s7 of the Subordinate Laws Act 1989).
