ROAD TRANSPORT (SAFETY AND TRAFFIC MANAGEMENT) AMENDMENT REGULATION 2014 (No 1)

Outline

The regulation amends the *Road Transport (Safety and Traffic Management) Regulation 2000*.

The regulation corrects a typographical error. The location code in Schedule 1, Part 1.1 of the *Road Transport (Safety and Traffic Management) Regulation 2000* mistakenly refers to Boddington Street, when the correct reference should be Boddington Crescent. The location code is used to identify where an image taken by a digital camera detection device was taken. This regulation replaces the incorrect reference to Boddington Street with the correct reference to Boddington Crescent.

There are no human rights implications arising from this amendment.
