University of Canberra (University Seal) Statute 2019

Disallowable instrument DI2019–199

made under the

University of Canberra Act 1989, s 40 (Statutes)

EXPLANATORY STATEMENT

Section 40 of the *University of Canberra Act 1989* gives the University Council the power to make Statutes.

This instrument revokes the *University of Canberra (University Seal) Statute 2007* (DI2007-217) and substitutes the University of Canberra (University Seal) Statute 2019. The new Statute will enable the University to execute documents required to be executed under seal either by:

- affixing the seal and having the affixing of the seal witnessed by the identified persons; or
- not affixing the seal and having the document signed by authorised persons.

The new Statute enables a person to make certain assumptions with respect to the execution of documents in the manner prescribed by the new Statute.

Section 42 of the *University of Canberra Act 1989* requires that a Statute, once made by Council, be submitted by the Chancellor to the Executive for approval.
