Integrity Commission (Mandatory Corruption Notification) Directions 2019

Notifiable instrument NI2019–722

made under the

Integrity Commission Act 2018, section 64 (Directions about mandatory corruption notifications)

EXPLANATORY STATEMENT

These directions are made by the ACT Integrity Commission (the Commission) pursuant to s 64(4) of the *Integrity Commission Act 2018* (the Act).

The directions state the types of matters that will give rise to an obligation to report serious corrupt conduct or systemic corrupt conduct under sections 62-68 of the Act. The directions also state requirements in relation to the form, content and method of notifications.

As required under s 64(2) of the ACT, the Commission has consulted with mandated reporters about the directions.

The directions apply to all mandated reporters who are not ‘exempt mandated reporters’ pursuant to s 64(7) of the Act.
