# Casino Control (Fees) Determination 2021

## Disallowable Instrument DI2021-140

made under the

**Casino Control Act 2006, section 143 (Determination of fees)**

## EXPLANATORY STATEMENT

---

The *Casino Control Act 2006* (the Act) regulates the operation of the casino in the Territory.

This instrument revokes the determination of fees made by Disallowable Instrument DI2020-157, the *Casino Control (Fees) Determination 2020*.

Section 143 of the Act provides that the Minister may determine fees for the Act. This instrument provides for fees in relation to administrative tasks performed under the Act, including matters relating to the casino licence and applications for casino employee's licences and variations to these licences.

The new determination sets the fees that will apply beginning on 1 July 2021 and repeals the *Casino Control (Fees) Determination 2020* DI2020-157. It provides for fee increases in line with annual adjustments to the Wages Price Index (WPI) of 1.75%, rounded down to the nearest dollar for most fees, with the exception of fees that have been consecutively rounded down in previous years by more than \$1.00 in which case have been rounded up to the nearest dollar. This approach also aligns with the 2021 Treasury Guidelines for Fees and Charges. Explanatory notes in the attachment list the fees previously determined to enable comparison.

The list of items for which fees are set in this instrument is identical to the list of items in Disallowable Instrument DI2020-157.

A determination under section 143 of the Act is a disallowable instrument and must be tabled in the Legislative Assembly.
