Sex Work (Fees) Determination 2021

Disallowable instrument DI2021-150

made under the

Sex Work Act 1992, s 29 (Determination of fees)

EXPLANATORY STATEMENT

The Minister has power to determine fees for the purposes of this Act.

The new determination sets the fees that will apply beginning on 1 July 2021 and repeals the *Sex Work (Fees) Determination 2019* DI2019-118. It provides for fee increases in line with annual adjustments to the Wages Price Index (WPI) of 1.75%, rounded down to the nearest dollar for most fees, with the exception of fees that have been consecutively rounded down in previous years by more than \$1.00 in which case have been rounded up to the nearest dollar. This approach also aligns with the 2021 Treasury Guidelines for Fees and Charges. Explanatory notes in the determination list the fees previously determined to enable comparison.

The instrument also includes minor wording changes from the previous instrument to align the instrument more closely with wording in the Act. This includes reflecting that the Commissioner for Fair Trading is the appropriate entity, rather than the Registrar.
