

**AUSTRALIAN CAPITAL TERRITORY**

**ROAD TRANSPORT (GENERAL) ACT 1999**

**REVOCATION AND DETERMINATION OF FEES**

**EXPLANATORY STATEMENT**

**INSTRUMENT NO. 184 OF 2000**

This Instrument revokes Instrument No. 79 of 2000, dated 25 February 2000 and notified in Gazette No. S6 on 29 February 2000.

It has the effect of determining fees, payable in advance, for transactions relating to vehicle registration under the *Road Transport (Vehicle Registration) Regulations 2000*. Registration fees for all types of vehicles (except vehicles with a gross vehicle mass over 4.5 tonnes) are unchanged. Some other fees, such as transfer fees, have been increased by the consumer price index (CPI) of 2.5% and rounded for administrative convenience. The fees reflect the 2000-01 budget strategy of the Government and will take effect from 1 July 2000.

This instrument also reflects the fact that the charges in Part 2 of the Schedule of the *Road Transport Charges (Australian Capital Territory) Act 1993* were amended in May 2000 by the *Road Transport Charges (Australian Capital Territory) Amendment Act 2000*. These charges apply to heavy vehicles (vehicles with a gross vehicle mass over 4.5 tonnes) and will come into force immediately for all heavy vehicle registrations that are due to expire on or after 30 June 2000.

Set out below for easy reference are the new and previous fees. Some transactions attract the Goods and Services Tax of 10%, which is included in the fee shown in the relevant last column.
