Road Transport (General) (Parking Permit Fees) Determination 2022 (No 2)

Disallowable instrument DI2022–193

made under the

Road Transport (General) Act 1999, section 96 (Determination of fees, charges and other amounts)

EXPLANATORY STATEMENT

Section 96 of the *Road Transport (General) Act 1999* allows the Minister to determine fees, charges and other amounts payable under the ACT road transport legislation.

This determination sets the fees for various kinds of parking permits. It also determines the fees for transactions relating to refunds and the handling of dishonoured cheques and credit cards.

Updates to the instrument

This instrument provides an update to parking permit fees. It does not seek to apply updates retrospectively.

The instrument applies a 0.29% increase to the parking permit fees in Schedule 1 and the refund and dishonour fees in schedule 2, rounded down to the nearest 10 cents. The figures used are the unrounded rate for 2022-23 as recorded in Table 1 in the Explanatory Statement to disallowable instrument DI2022-66; Road Transport (General) (Parking Permit Fees) Determination 2022 (No 1). This is the same approach as with the previous increases to parking permit fee instruments.

The fee for a Residents' parking permit for residents of Havelock House at item 9 has not been increased in line with previous decisions to support those residents with limited capacity to pay additional fees and charges.

The fee increases are in line with budget decisions about increasing registration and regulatory fees to partially offset ongoing price and cost pressures in delivering Access Canberra services.

The indexing of fees and charges addresses increased administrative cost to Access Canberra for the registration or regulatory function being delivered.

The schedules to the instrument detail the item for which a fee is payable and the associated fee. Column 1 of schedule 1 lists the item number. Column 2 of schedule 1 describes the service or other matter in relation to the fee payable. Column 3 of schedule 1 lists the fee payable for a permit issued on or after 1 July 2022 and on or before 31 August 2022. Column 4 of schedule 1 lists the fee payable for a permit issued on or after 1 September 2022.

The preference of the Standing Committee on Justice and Community Safety (Legislative Scrutiny Role) that Instruments or Explanatory Statements identify the amount of the old and new fee, any percentage increase and also the reason for any increase in the Instrument or the Explanatory Statement has been taken into account in the preparation of the Instrument and the Explanatory Statement.

This determination is a disallowable instrument and must be presented to the Legislative Assembly within 6 sitting days after its notification pursuant to section 64 of the *Legislation Act 2001*.

Human Rights

The Standing Committee on Justice and Community Safety (Legislative Scrutiny Role) terms of reference require consideration of human rights impacts, among other matters. In this case, no human rights are impacted.

Climate Change

Transport Canberra and City Services anticipates that the increase in parking permit fees will not have a measurable impact on climate change.
