Utilities (Energy industry levy – local regulatory costs) Determination 2023

Notifiable instrument NI2023–620

made under the

Utilities Act 2000, section 54F (Local regulatory costs)

EXPLANATORY STATEMENT

Section 54F of the *Utilities Act 2000* requires the Levy Administrator, appointed under section 54N, to determine the amount of local regulatory costs to be applied to each energy industry sector.

The *Utilities (Energy industry levy – local regulatory costs) Determination 2023* sets out the costs determined by the Levy Administrator.

Local regulatory costs are made up of costs to the Territory of regulating safety, technical operations, consumer service and environmental behaviour for energy utility services and the costs of administration of the levy. The costs relate to the work of the:

- Independent Competition and Regulatory Commission
- Utilities Technical Regulator
- ACT Civil and Administrative Tribunal.
