### Overview

Section 16 of the *Heritage Act 2004* (the *Act*) establishes the ACT Heritage Council (the *council*). Members of the council are appointed by the Minister under section 17 of the Act. Section 17 (4) of the Act specifies that:

- Three (3) members may be appointed as public representatives. There must be at least 1 public representative that adequately represents each of the following groups: the Aboriginal community, the community, and the property ownership, management, and development sector.
- Six (6) members may be appointed as experts, each of whom must have knowledge and experience in at least one of the disciplines of architecture, archaeology, history, landscape architecture, Aboriginal history, Aboriginal culture, engineering, town planning, urban design, nature conservation, and object conservation.

The Chair and Deputy Chair are also to be appointed by the Minister from the appointed members (section 17 (2)).

### Appointment

This instrument appoints Mr Alistair Henschman as an expert member of the council from 1 May 2024 until 1 May 2026. Mr Henschman has been a council member from 30 April 2023 to 30 April 2024. Mr Henschman's expertise is in architecture and nature conservation.

Mr Henschman is a qualified architect with experience with the ACT and NSW Governments in roles responsible for preservation and management of significant heritage sites in both metropolitan and regional areas. As an expert on nature

conservation, town planning and urban design as well as a landscape architect, Mr Henschman offers an extensive breadth of skills relevant to the council. He worked for 25 years with NSW National Parks and Wildlife Service as the Regional Architect where he focussed on the adaptive reuse and conservation of heritage places, developed policy for heritage management and determined the future of numerous heritage places, structures and landscapes throughout NSW.

Mr Henschman has experience on several boards. As the Chair of the statutory Lord Howe Island Board from 2008 to 2012, he managed social and natural heritage values of World Heritage listed site. He is the Community representative on the Ginninderry Conservation Trust Board

Mr Henschman is not a public servant.

### **Consultation**

Division 19.3.3 of the *Legislation Act 2001* (the ***Legislation Act***) applies as Mr Henschman is not a public servant, is appointed for longer than 6 months, and will have functions beyond advising the Minister. In accordance with section 228 of the *Legislation Act*, the Standing Committee on Environment, Climate Change and Biodiversity has been consulted and noted the appointment. The appointment is a disallowable instrument by operation of section 229 of the *Legislation Act*.

### **Regulatory impact statement**

The instrument is not likely to impose appreciable costs on the community, or part of the community and therefore a regulatory impact statement (a ***RIS***) is not required (*Legislation Act*, section 34). Further, a *RIS* is unnecessary, in accordance with the *Legislation Act*, section 36 (1) (b), as the disallowable instrument does not operate to the disadvantage of anyone by adversely affecting the person's rights, or imposing liabilities on the person.

### **Remuneration**

Remuneration for the council is set by the *ACT Remuneration Tribunal under Determination 18 of 2023 (Part-time Public Office Holders)* and is met by Environment, Planning and Sustainable Development Directorate's budget.

### **Scrutiny Committee terms of reference**

The instrument is consistent with the Legislative Assembly's Scrutiny of Bills Committee Terms of Reference. In particular, the instrument:

1. Is made under a ministerial power found in the Act (see section 17 of the Act).
2. Is in accordance with the general objects of the Act under which it is made.  
The appointment of a member to the council is integral to the operation of the council and achieving the objects of the Act.
3. Does not unduly trespass on rights previously established by law.
4. Does not make rights, liberties and/or obligations unduly dependent on non-reviewable decisions. The instrument enables formal appointment of a member of the council.
