Disallowable instrument DI2026–147

made under the

Financial Management Act 1996, s 78 (Appointment of governing board members generally)

EXPLANATORY STATEMENT

The *Canberra Institute of Technology Act 1987* (the Act) and the *Financial Management Act 1996* provide for the establishment of the CIT board and appointment of board members.

In accordance with section 10 of the Act, the CIT Board must include 1 student at CIT.

The Minister for Skills, Training and Industrial Relations has agreed that the student membership of the board be the Chair of the CIT Student Association. CIT runs an annual election process for the Chair of the CIT Student Association. As such the person in that role will change during the term of this appointment. This instrument of appointment appoints a position to the student board member rather than an individual.

This instrument makes an appointment to which the *Legislation Act 2001*, Division 19.3.3, applies and is a disallowable instrument. The Minister for Skills, Training and Industrial Relations consulted with the Standing Committee on Economics, Industry and Recreation regarding the appointment. The committee made no comment on the appointment.

The current Chair of CIT Student Association is not a public servant.
