

# **BUILDINGS (DESIGN AND SITING) ACT 1964**

## **DETERMINATION OF FEES 1995**

### **EXPLANATORY NOTE**

#### **INSTRUMENT NO. 153 OF 1995**

This determination made under Section 14 of the Buildings (Design and Siting) Act 1964, sets the fees for the purposes that Act.

Design And Siting Fees for 1995-96 were gazetted on 30 June 1995. In its examination of that determination (No. 91 of 1995), the Standing Committee on Scrutiny of Bills and Subordinate Legislation noted that the determination stated that it was made under Section 9 of the Buildings (Design and Siting) Act 1964 rather than Section 14 of the renumbered Act dated 15 January 1995. This determination corrects that error.

Fees are determined under Section 14 of the Buildings (Design and Siting) Act for the purposes of Section 5 of that Act. The schedule ("Provision for purposes of which fee is payable") to this current determination makes clear that the fees are levied in respect of applications lodged in accordance with Section 225 of the Land (Planning and Environment) Act 1991 as applied.

A table comparing the 1994 and 1995 fees was tabled as part of the Explanatory Note to determination No. 91. The level of fees proposed for 1995-96 is not varied by this current determination.
