

AUSTRALIAN CAPITAL TERRITORY

MOTOR TRAFFIC ACT (1936)

DETERMINATION (OF FEES)

NO. 127 OF 1994

EXPLANATORY STATEMENT

This instrument revokes all existing fees determinations under the Motor Traffic Act 1936 mainly:-

Determination No. 54 dated 22 June 1994 published in the ACT Special Gazette No. S125 of 27 June 1994.

This Determination sets fees for the purpose of the Motor Traffic Act 1936 and has the effect of revoking and redetermining fees payable for transactions which relate to parking labels and permits. Set out below for easy reference are the amended fees (and previous fees) which apply to the transactions relating to parking labels and permits.

These amendments are required for the following reasons;

FEE FOR GRANTING A SHORT TERM COMMERCIAL PARKING LABEL

Short term commercial parking labels are currently issued by Transport Regulation for a pro rata fee of the annual fee amount. To introduce a flat fee rate requires system modifications (approximate cost \$1500). Public demand and the estimated revenue potential for this transaction is extremely minimal and does not warrant proceeding with TRIPS modifications. To rectify this problem the flat rate fees are being revoked and the fee for issuing future short term commercial labels be calculated at a pro rata of the annual fee amount.
