*Providing to all clients a high standard of professional competence,  
prompt and personal service, and a practical approach to their needs.*

Macphillamy Cummins & Gibson is one of the largest general law practices in Canberra. Its origins date back to the 1930s, when Canberra was a national Capital in its infancy.

It now serves clients in all states and territories of Australia and overseas. While maintaining a strong client base in the Canberra community, our firm also acts for major national corporations and large government sector clients.

Macphillamy Cummins & Gibson is a member of the Australian Legal Group, a federation of some of Australia's oldest, largest and most eminent law firms, all of which reap the benefits of a commitment to national and international practice through the federation, combined with an ability to continue to operate as independent firms.

Through the Australian Legal Group, our firm is able to offer its clients access not only to the services of its colleagues in each mainland State capital but also the Gold Coast, London, New York, Singapore, Hong Kong, Jakarta, Tokyo and Taipei.

Macphillamy Cummins & Gibson regards each of its clients as singularly important. Over the years this philosophy has engendered strong loyalty to our firm. As a result, clients range from individuals who require assistance with their family or personal affairs through to both small and large business enterprises and corporations with local, national and international operations.

Quality and service are the measures by which our firm wishes to be judged - equally important to all clients, irrespective of size. For more information please contact the General Manager, Sandra Green, or any of the people named below.
