Notice of Arrangements for Community Facilities

I ROSEMARY FOLLETT give notice of the following arrangements that have been made for the provision of community facilities associated with the development of the casino. As previously announced the premium of nineteen million dollars will be used to provide community facilities. I have requested my ministers to provide community facilities projects for consideration by 1 June 1992. These projects will then be considered and cost estimates made. When the balance of the premium has been paid a final decision will be made by the government and announced by first December 1992.
