### INVITATION TO COMMENT ON AN IMPLEMENTATION PLAN (No. 1) FOR PART OF MIRRABEI DRIVE IN NGUNNAWAL

The ACT Capital Works Branch of the Department of Urban Services has submitted to the ACT Planning Authority an Implementation Plan for Mirrabei Drive, which separates the suburbs of Ngunnawal and Moncrieff in Gungahlin.

The project involves construction of approximately 650 metres of single-carriageway road, a cycle path and a footpath generally parallel to the road, and a floodway to the east of the road. An underpass will be constructed near the southern end of the road to connect the cycle path to the footpath.

Construction is proposed to start in the 1994/95 financial year and to be completed within three years.

Copies of the Implementation Plan may be inspected at the Shopfront, John Overall Offices, 220 Northbourne Avenue, Braddon, during normal business hours. Copies of the Implementation Plan may be purchased from the Shopfront at a cost of \$6.00.
