INSTRUMENT NO. 33/95

PUBLIC ROADS ACT 1902 (NSW)

NOTICE OF INTENTION TO CLOSE A PUBLIC ROAD :

Pursuant to section 19 of the Public Roads Act 1902 (NSW) I notify that I am considering closing the unnecessary road reserves in the vicinity of Uriarra Station, District of Coree as shown on the plan below. The proposal affects former NSW road reserves which have never been constructed and segments of the old alignments of Uriarra Road, Brindabella Road and Mountain Creek Road. In no way does this action affect existing public thoroughfare or access to adjacent land. The closure is necessary to enable the current and correct alignments of public roads to be shown on survey plans.

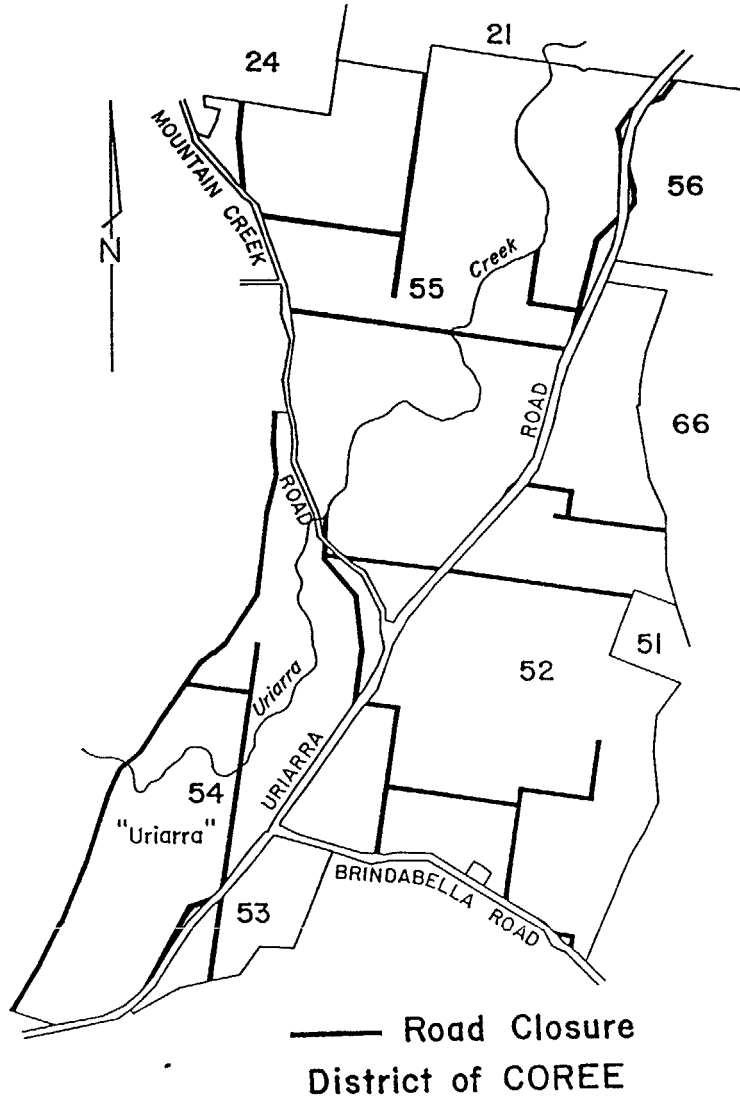

The associated plan does not purport to show full detail due to its small scale. A more detailed plan may be inspected during business hours at the ACT Mapping Office, ground floor, 214 Northbourne Ave, Braddon, ACT. Any interested person who wishes to object to the closure of these roads may do so within one month of the publication of this notice by setting out any objections in writing to:
