**PRELIMINARY ASSESSMENT REPORT**

**ENVIRONMENTAL FACTORS**

The Australian National University has prepared a Preliminary Assessment report on the environmental factors relating to the proposed construction of a medium density residential project comprising 92 units for graduates, visiting academics and their families on Blocks 1-4 & 6-10, Section 64, Turner.

The report outlines:

- the reason for the proposal;
- the existing environmental conditions including the region surrounding the project site and current land use policy;
- the potential impact of the project on the physical, human, and non-human environment; and
- the potential benefits of the project.

The purpose of this advertisement is to invite public comment on the Preliminary assessment in order to ensure the proposed development satisfies community expectations.

Copies of the report may be obtained free of charge during business hours from ANU Housing Office at the address below. Written submissions should be forwarded by close of business, Monday 16 September 1996 to:
