DEPARTMENT OF HEALTH AND COMMUNITY CARE

HACC

The Home and Community Care Program is a joint Commonwealth and State/Territory program that funds services for younger people with a disability, for frail older people, and for their carers, to enable them to remain living in their own homes in the community.

The ACT Department of Health and Community Care is seeking tenders from established Home and Community Care (HACC) organisations to provide a range of integrated home and community care services for people with a disability, for frail older people, and for their carers.

The Department expects the successful tenderer/s to:

- deliver a range of integrated home and community care services in accordance with the HACC National Performance Standards;
- the delivery of integrated home and community care services to be available seven (7) days per week (including holidays) according to need, with opening hours that are flexible and provide access for the client group;
- the services will be delivered in an equal number of hours per quarter of the year, plus or minus 10% per quarter;
- the service will reflect the demographic profile of the ACT (defined by the Australian Bureau of Statistics); and
