DEPARTMENT OF HEALTH AND COMMUNITY CARE

Invitations to Register Interest - Tender 12 1997-98

Invitations to register interest are requested from incorporated "not for profit" organisations interested in tendering for the provision of services to the residents of houses being built as part of the Prolonged Care Cottages (PCCs) Project which will provide housing in a community setting and supported accommodation for younger people with a disability (predominantly people with an acquired brain injury), who currently live in ACT nursing homes. Support services will be required to begin late July 1998 for eight residents including one place reserved for respite.

The successful tenderer will be required to develop an innovative approach to the delivery of personal care and support in a community setting in accordance with the requirements of relevant legislation and associated principles and guidelines. The delivery/brokerage of support services will need to take into account the intention that the houses are to be peoples' homes. Mechanisms will need to be developed to address both individual and communal needs.

For further information, or to receive a copy of the papers, please contact Ms Roz Lucas on (02) 6205 1526 or fax (02) 6205 1042

ITRI closing date: 2pm Friday 24 April 1998
