TAXATION ADMINISTRATION ACT 1999

I REVOKE, as at 1 January 2000, Instrument No. 151 of 1999 dated 29 June 1999 and published in Australian Capital Territory Gazette No. S37 of 30 June 1999.

Under paragraph 26 (2) (b) by ORDER I specify that the rate shall be 5.08% per annum.

This order takes effect on 1 January 2000.

Date: 17 December 1999

Gary Humphries
Treasurer

EXPLANATORY STATEMENT

The *Taxation Administration Act 1999* (the Act) deals with the administration of various tax laws relating to the imposition and collection of certain taxes, duties and fees. Section 25 imposes interest on tax defaults, while section 26 provides specific details of the interest rate and how the market rate component may be set. Subsection 26 (2) empowers the Minister to specify the market rate component by order published in the Gazette.

This instrument revokes the rate previously specified as the market rate component of interest payable and sets the new rate by order under paragraph 26 (2) (b). The specified rate will be 5.08% per annum. This represents a 0.36% per annum increase on the current rate of 4.72% per annum.

The rate is calculated utilising the method used by the Commonwealth under the *Income Tax Assessment Act 1936* to set its quarterly interest rate. The new rate is the weighted average yield set at the last weekly tender for the 13 week Treasury Note before the end of November 1999 rounded to the second decimal place (rounding 0.005 upwards).

The date of effect of this order is 1 January 2000.
