SPECIAL GAZETTE

No. S26, Friday 16 June, 2000

Corrigendum

Special Gazette No. S24 of Thursday 15 June, 2000, contained typographical errors in Category 6, Cost of Water Abstraction, of the determination of water charges under the Energy and Water Act 1988.

The correct wording of Category 6 of the determination is as follows.

6. Cost of Water Abstraction

Until revoked or varied, a charge of 10 cents per kilolitre shall be added to the per-kilolitre water charges determined by ACTEW from time to time for the specified classes of customers. The 10 cents is also to be applied to the first kilolitre where this is not prevented by legislation.

The specified classes of customers subject to the 10 cents per kilolitre water abstraction charge are category 5.1, the standard charge; 5.3, units and common property; 5.4, University of Canberra; 5.5, Australian National University; 5.8, short tenancy charge; 5.9, supply of water from an ACTEW main otherwise than through a meter or to a parcel of land; 5.10, supply of water through a metered hydrant standpipe.

Until revoked or varied, a charge of 10 cents per kilolitre shall be applied in respect of the deemed consumption amount of 175kl for category 5.2 multiple domestic and category 5.6 unmetered property. The 10 cents is also to be applied to the first deemed kilolitre where this is not prevented by legislation.

The water abstraction charge shall not apply in respect of category 5.7, unconnected property.

Unless precluded by legislation, the charges per kilolitre applicable to schools, churches and other ecclesiastical properties including those designated as churches in perpetuity, shall be increased by the 10 cents per kilolitre water abstraction charge until that charge is revoked or varied. The 10 cents is to be applied to the first kilolitre of consumption unless this is prevented by legislation.
