**WESTON CREEK GROSS
POLLUTANT TRAP**

**Preliminary Assessment Report
Environmental Factors**

Willing & Partners Pty Ltd has prepared on behalf of the proponent, Department of Urban Services, ACT Capital Works Branch of Public Works and Services, a Preliminary Assessment report on the environmental factors relating to the construction of a Gross Pollutant Trap located at the end of the stone pitched channel immediately downstream of Cotter Road and approximately 200 metres to the west of Streeton Drive

The report outlines

- reason for the proposed construction,
- description of the environment including the region surrounding the project site and current land use policy,
- potential impact of the project on the physical, human, non-human environment,
- potential beneficial impacts

The purpose of the report is to invite public comment on the Preliminary Assessment in order to ensure that the proposed work satisfies community concerns

Copies of the report may be obtained free of charge from the Civic, Belconnen, Tuggeranong and DELP shopfronts

Written submission should be forwarded by
