

TSZ2 - Services Zone

Zone Objectives

- a) Make provision for essential municipal services such as water, energy, transport and waste disposal
- b) Ensure that development is carried out in an economic, safe, environmentally sensitive manner and does not unacceptably affect the health and safety of any nearby residents
- c) Ensure that there is minimal impact on adjacent land uses due to any municipal services development
- d) Ensure that development is compatible with the surrounding landscape, especially in areas of high visibility, and that appropriate measures are taken to soften the impact of development on the landscape
- e) Limit the impact of electro-magnetic interference from development on electrical appliances in nearby premises
- f) Enable the development of transport facilities that are accessible and efficient for passengers and goods handling
