

PRZ1 - Urban Open Space Zone

Zone Objectives

- a) Provide an appropriate quality, quantity and distribution of parks and open spaces that will contribute to the recreational and social needs of the community
- b) Establish a variety of settings that will support a range of recreational and leisure activities as well as protect flora and fauna habitats and corridors, natural and cultural features and landscape character
- c) Allow for stormwater drainage and the protection of water quality, stream flows and stream environs in a sustainable, environmentally responsible manner and which provides opportunities for the community to interact with and interpret the natural environment
- d) Allow for ancillary uses that support the care, management and enjoyment of these open spaces including park maintenance depots, small-scale community activity centres
- e) Ensure that development does not unacceptably affect the landscape or scenic quality of the area, adequacy of open space for other purposes, access to open space, or amenity of adjoining residents
- f) Provide for integrated land and water planning and management
