DICKSON ACT 2602

Dear Mr Dawes

Molonglo Valley Stage 2 (part), Link Bridge and Sewer 3 Central s211 exemption from the requirement to complete an Environmental Impact Statement

I have reviewed the information provided in your application under Section 211 of the *Planning and Development Act 2007* (the Act) for an exemption from the requirement to complete an Environmental Impact Statement (EIS).

Having considered the information submitted in support of your request, I consider that the expected environmental impact of the proposal has been sufficiently addressed.

As Minister responsible for the Act, I advise that the proposed development of Molonglo Valley Stage 2 (part), Link Bridge and Sewer 3 Central as indicated in the attached map, will not require any further environmental assessment. You are now able to lodge an impact track development application for actions described in your application with the Environment and Sustainable Development Directorate. Please ensure that you include a copy of this letter with your development application.

Yours sincerely

Simon Corbell MLA
Minister for the Environment and Sustainable Development
