SCHEDULE

Cashless Gaming System Operational Requirements - Ticket In Ticket Out

A Ticket In Ticket Out Cashless Gaming System must operate in accordance with the following requirements:

1. It must function as part of an 'Aristocrat System 7000' or an 'IGT Systems Club' management system.
2. A gaming machine ticket must display the following:
 - (a) information regarding the venue where the ticket was printed (eg. the licensee's trading name);
 - (b) a unique identification number for each ticket;
 - (c) the value of the ticket's gaming credits in dollars and cents;
 - (d) the date and time the ticket was printed; and
 - (e) at least one of the following approved harm minimisation messages:
