

Public Pools (Qualifications, Skills and Training) Determination 2015 (No 1)

Notifiable Instrument NI2015-322

made under the

Public Pools Act 2015, section 12 (Qualifications, skills and training)

1 Name of Instrument

This instrument is the *Public Pools (Qualifications, Skills and Training) Determination 2015 (No 1)*.

2 Commencement

This instrument commences on 1 July 2015.

3 Determination

I determine that:

- a. the minimum qualifications, skills and training requirements for operators, employees, people engaged under contract or volunteers for positions and requirements described in column two of Schedule 1 to this instrument are specified in column three;
- b. for the purposes of clause 3(a) of this instrument a current, previous or future training package, qualification or accredited course, that contains the skill set or units of competency for the course code specified on the National Register of Vocational Education and Training at www.training.gov.au may be taken to be an equivalent qualification, skill or training requirement if it is substantially similar or identical to those qualifications, skills or training requirements specified in column three of this instrument; and
- c. for each person specified in clause 3(a) of this instrument operators maintain details of the positions and requirements specified in column two and column three of the Schedule to this instrument.
