Notifiable instrument NI2017–412

made under the

Nature Conservation Act 2014, s 256 (Conservator may make activities declarations)

---

## 1 Name of instrument

This instrument is the *Nature Conservation (Bimberi Wilderness Area) Activities Declaration 2017 (No 2)*.

## 2 Commencement

This instrument commences on the day after its notification day.

## 3 Application

This instrument applies to the area (the ***Bimberi Wilderness Area***) outlined in bold and shown as ‘Bimberi Wilderness Area’ in the map in schedule 1.

*Note* Under section 169 of the *Nature Conservation Act 2014* (the *Act*) the area of Bimberi Wilderness Area is a ‘reserve’ for the purposes of the Act because the area is public land reserved in the Territory Plan as a wilderness area under section 315 (a) of the *Planning and Development Act 2007*.

## 4 Declaration

I declare that in the Bimberi Wilderness Area—

- (a) an activity listed in schedule 2 is prohibited; and
- (b) an activity listed in schedule 3 is restricted and may only be carried out if the requirements applying to the activity are complied with.

*Note 1* If an activity is a ‘prohibited activity’ it means the activity cannot be carried out under any circumstance in the reserve. For example, the ‘use of chainsaws’ is declared to be a prohibited activity. This means that chainsaws cannot be used in Bimberi Wilderness Area under any circumstance.

*Note 2* If an activity is a ‘restricted activity’ it means that it may only be carried out in the reserve if stated directions or requirements are complied with. For example, ‘camping’ is declared to be a restricted activity. This means camping cannot be carried out in Bimberi Wilderness Area unless it is done in a way that meets the stated requirements.

*Note 3* The Act includes general offences which apply to all reserves (including Bimberi Wilderness Area). The Act may be found at <http://www.legislation.act.gov.au/a/2014-59/default.asp>.

## 5 Revocation

The *Nature Conservation (Bimberi Wilderness Area) Activities Declaration 2017* (NI2017-302) is revoked.

## 6 Definitions

In this instrument—
