

Road Transport (Public Passenger Services) Rideshare Vehicle Identifier Approval 2019

Notifiable instrument NI2019–463

made under the

Road Transport (Public Passenger Services) Regulation 2002, section 164C (3)
(Rideshare vehicle licence – rideshare vehicle identifier)

1 Name of instrument

This instrument is the *Road Transport (Public Passenger Services) Rideshare Vehicle Identifier Approval 2019*.

2 Commencement

This instrument commences on the day after its notification.

3 Approved identifiers

I approve, as an identifier for a rideshare vehicle, a label that—

- a) prominently displays the name of the transport booking service that issued the label; and
- b) is readable from the outside of the vehicle; and
- c) is a square or rectangle no side of which may be less than 110mm in length nor more than 146mm in length; and
- d) is not handwritten.

Note: A transport booking service can only issue a label to a rideshare driver with whom it has an affiliated driver agreement.

4 Requirements for displaying approved identifiers

An approved identifier for a rideshare vehicle must be displayed so that it is readable from the outside of the vehicle and on the passengers-side (left side) of the vehicle's front windscreen.

Richard Glenn

Acting Director-General of the Justice and Community Safety Directorate as a road transport authority
