

Electoral (Calculation of prescribed amount for public funding) Determination 2019

Notifiable instrument NI2019-713

made under the

Electoral Act 1992, s 207 (Entitlement to funds)

The prescribed amount for the period 1 January 2020 to 30 June 2020 is determined by the formula:

$$\frac{\mathbf{INS}}{\mathbf{INM}} \times \mathbf{P}$$

where :

INS is the index number* for the last preceding September quarter.

INM is the index number* for the last preceding March quarter.

P is the prescribed amount in relation to the last preceding relevant period**.

* The index number, in relation to a quarter, means the All Groups Consumer Price Index number, being the weighted average of the 8 capital cities, published by the Australian Statistician in respect of that quarter.

** The last preceding relevant period means the period of 6 months commencing on 1 July 2019.

I have determined that:

INS for the September 2019 quarter is 115.4

INM for the March 2019 quarter is 114.1

P in relation to the last preceding relevant period is 843.621 cents according to section 207(2) of the *Electoral Act 1992*.

The prescribed amount is therefore:

$$\frac{115.4}{114.1} \times 843.621 = 853.233 \text{ cents.}$$

Thus, pursuant to section 207 of the *Electoral Act 1992*, I hereby determine the prescribed amount for the period 1 January 2020 to 30 June 2020 to be 853.233 cents.

Damian Cantwell AM
Electoral Commissioner

5 November 2019
