

Electricity Feed-in (Large-scale Renewable Energy Generation) FiT Entitlement 2020 (No 2)

Notifiable instrument NI2020–497

made under the

Electricity Feed-in (Large-scale Renewable Energy Generation) Act 2011, s 11 (FiT entitlement – grant)

1 Name of instrument

This instrument is the *Electricity Feed-in (Large-scale Renewable Energy Generation) FiT Entitlement 2020 (No 2)*.

2 Commencement

This instrument commences on the day after notification.

3 Grant of FiT Entitlement

I grant Berrybank 2 Asset Pty Ltd, ACN 642 735 288 a FiT entitlement as set out in sections 4 to 8 of this instrument.

4 Term

The term of the FiT entitlement is 10 years commencing on 14 August 2022.

5 Amount of feed-in tariff entitlement

The amount of the FiT entitlement is \$54.48 (GST exclusive) per megawatt-hour.

6 Maximum quantity of eligible electricity

The maximum quantity of eligible electricity, in a financial year, in relation to which the FiT entitlement holder is entitled to be paid a FiT support payment, is 475,934 megawatt hours in the first year of the FiT entitlement and 485,885 megawatt hours in the second through tenth years.

7 Requirements for the FiT entitlement holder's large renewable energy generator

The FiT entitlement holder's large renewable energy generator must:

1. Be located at Berrybank, approximately 130 km west of Melbourne in the state of Victoria;
2. Use wind energy as its renewable energy source;
3. Have a feed-in tariff supported generating capacity no greater than 100.0 megawatts alternating current at the point of electrical connection to the national electricity system, out of a total generating capacity of 106.59 megawatts; and
4. Consist of up to 26 wind turbine generators, connected via a transformer to a single point of connection to the national electricity system.

8 Transfer of large-scale generation certificates

Large-scale generation certificates (or any similar benefit available to generators under future Commonwealth laws that amend or replace the law providing for large-scale generation certificates) for eligible electricity generated by the FiT entitlement holder's large renewable energy generator during the term of the FiT entitlement must be created and transferred to the Territory under the *Renewable Energy (Electricity) Act 2000* (Cwlth) or future Commonwealth laws that might amend or replace that Act.
