

Australian Capital Territory

Emergencies (Service Provider) Approval 2022 (No 1)

Notifiable instrument NI2022–102

made under the

Emergencies Act 2004, s 62 (Decision and approval)

1 Name of instrument

This instrument is the *Emergencies (Service Provider) Approval 2022 (No 1)*.

2 Commencement

This instrument commences on 7 March 2022.

3 Approval

I approve JW Motorsport Services (the provider) to provide fire and rescue services (the services) at events in the ACT.

4 Conditions of Approval

Approval is subject to the conditions in Schedule 1.

5 Expiry

This instrument expires 10 March 2023.

Mick Gentleman MLA
Minister for Police and Emergency Service

27 February 2022

SCHEDULE 1

Conditions of approval

1. The provider must comply with all conditions set out in the *Application for Approval to Provide Firefighting or Rescue Services in the ACT* – AF2015-141.
2. The provider must seek the consent of the Chief Officer ACT Fire & Rescue Service to provide the services at an event which was not specified in the application for approval, at least 7 days prior to the commencement of the event. The request must specify the dates and event precinct where the services are proposed to be provided, and any consent granted is subject on the services being delivered as specified in the request.
3. Only the staff nominated in the provider's application for approval under section 61 of the *Emergencies Act 2004* are permitted to provide the services. Staff not nominated in the application for approval may only provide the services with the Chief Officer ACT Fire & Rescue Service's prior written approval.
4. The provider must provide copies of any updated or renewed insurance documentation to the Chief Officer ACT Fire & Rescue Service if insurance is renewed or varied before this approval expires.
5. In providing the services the provider may only respond to low level fire and/or rescue incidents, including:
 - a) rubbish bin fires;
 - b) carburettor fires in vehicles;
 - c) minor vehicle fires;
 - d) to assist a driver or passenger from vehicle if the vehicle has been involved in an accident; and
 - e) to provide access to a driver or passenger, for first aid services, in the event of an accident.
6. The provider may respond to and deal with the cleanup of oil or fuel spills less than 20 litres during the event. The provider must ensure that the response and cleanup does not breach requirements under the *Environmental Protection Act 1997* or associated legislation.
7. The provider must immediately notify Triple Zero (000) of any incident that is beyond their response authority and capabilities as provided in Conditions 5 and 6.
8. In the event that ACT Fire & Rescue Service are in attendance at an incident during the event, the provider must take direction from the senior officer in attendance, including any direction about the utilisation of the provider's services.
9. The provider must immediately notify ACT Fire & Rescue Service of any incident that results in:
 - a) serious injury or death to any person; or
 - damage to property.
