# Public Health (Mandatory Face Masks) Emergency Direction 2022 (No 5)

Notifiable Instrument NI2022–441

made under the

**Public Health Act 1997, s 120 (Emergency actions and directions)**

---

## 1. Name of instrument

This instrument is the *Public Health (Mandatory Face Masks) Emergency Direction 2022 (No 5)*.

## 2. Commencement

This instrument commences at 11:59pm on 8 September 2022.

## 3. Public Health Emergency Direction

I, Dr Kerryn Coleman, Chief Health Officer, consider it necessary or desirable to alleviate the emergency declared under the *Public Health (Emergency) Declaration 2020 (No 1)* [NI2020-153] (the **declared emergency**) on 16 March 2020, to give the directions as set out in the schedule.

## 4. Duration

This Direction is in force for the period ending on the day the declared emergency (as extended or further extended) ends, unless it is earlier revoked.

## 5. Revocation

This instrument revokes the *Public Health (Mandatory Face Masks) Emergency Direction 2022 (No 4)* [NI2022-319].

# Public Health Emergency Direction

## *Public Health Act 1997*

*Made under the Public Health Act 1997,  
section 120 (Emergency actions and directions)*

I, Dr Kerryn Coleman, Chief Health Officer, consider it necessary or desirable to alleviate the emergency declared under the *Public Health (Emergency) Declaration 2020 (No 1)* [NI2020-153] on 16 March 2020, to give the directions as set out below.

The purpose of this Direction is to require people to wear a face mask in certain circumstances which may present a higher risk to the community or to individuals who are most vulnerable to severe disease. Requirements to wear face masks also serve to minimise community transmission of **COVID-19**.

### **Grounds for directions**

I consider this direction is necessary or desirable to alleviate the **COVID-19** emergency on the grounds that—

- (a) **COVID-19** poses a serious public health risk to the Australian Capital Territory;
- (b) the World Health Organization declared the Omicron variant of **COVID-19** to be a variant of concern on 26 November 2021;
- (c) the Omicron variant of **COVID-19** is highly transmissible and remains the dominant variant globally and in the Australian Capital Territory following its introduction on 3 December 2021;
- (d) the BA.4 and BA.5 sub-lineages of the Omicron variant are the dominant sub-lineages in Australia, being more prone than BA.2 to escaping immunity provided by vaccination and earlier **COVID-19** infection, and are associated with ongoing infections and community transmission;
- (e) the Australian Capital Territory has experienced persistent community transmission since the original outbreak of **COVID-19** on 12 August 2021;
- (f) there is a necessity to limit the impact of **COVID-19** in the Australian Capital Territory to mitigate the burden on persons who are most vulnerable to severe disease and the Australian Capital Territory's public health system, which includes continued monitoring and support for the public health response; and
- (g) the use of face masks is a practical measure to reduce transmission in certain circumstances or areas of higher risk to the community and to persons who are vulnerable to severe disease.

In making this Direction, I have had regard to relevant human rights and I am satisfied that the limitations imposed as a result of this Direction are both demonstrably justifiable in a free and democratic society and necessary to protect the ACT community from the serious public health risk posed by **COVID-19**.

## PART 1 – FACE MASKS TO BE WORN

### A. Directions

1. A person must wear a **face mask** while the person is:
  - a. working at or visiting a **hospital, residential aged care facility, care facility, correctional centre, detention place or other place of custody;**
  - b. working or visiting a residential accommodation facility that supports people who require frequent, close personal care, and who are vulnerable to severe disease;  
**Note:** A person vulnerable to severe disease includes, the elderly, the immunocompromised, and those affected with comorbidities which are known to be associated with adverse outcomes for COVID-19.
  - c. in a **public passenger vehicle**.
2. A person who is undertaking a period of self-isolation or quarantine under the **Diagnosed People and Close Contacts Direction** must wear a **face mask** when, leaving the designated premises for a permitted reason, or if applicable in accordance with the **Risk Mitigation Requirements for Household Contacts**.  
*Example: A household contact who is permitted to leave their designated premises under the Risk Mitigation Requirements for Household Contacts Exemption must wear a face mask in any indoor setting.*
3. A **recovered case** must wear a face mask in an **indoor space** other than their **residence** until the end of the 7th day after the person undertook the **COVID-19 test** that resulted in the person becoming a **diagnosed person**.  
*Example: A person undertook a COVID-19 test on 1 October which returned a positive result to COVID-19. The person became a recovered person from 11:59pm 6 October. The person must wear a face mask in an indoor space when outside of their residence until the end of 8 October.*
4. The **face mask** must be worn in a way that it covers the person's nose and mouth.
5. However, a person is not required to wear a **face mask** if the person:
  - a. is an infant or child aged under 12 years;
  - b. has a physical or mental health illness or condition, or disability, which makes wearing a **face mask** unsuitable;  
*Example: Persons who have obstructed breathing, a serious skin condition on their face, an intellectual disability, a mental health illness, or who have experienced trauma.*
6. A person who owns, operates or controls a business or undertaking mentioned in paragraph 1 must ensure that a person working at the business or undertaking complies with paragraph 1 of this Direction.

7. Despite paragraphs 1 to 3, a person who is required to wear a **face mask** may remove the **face mask**:
- a. if the person is consuming food, drink or medicine; or
  - b. if the person is communicating with a person who is deaf or hard of hearing and visibility of the mouth is essential for communication; or
  - c. if the person is at work and the nature of the person's work (including workplace training) means that wearing a **face mask** creates a risk to health and safety; or
  - d. if it is necessary for the proper provision of goods or services; or
  - e. if the person is asked to remove the **face mask** to ascertain identity; or  
*Example: a person may be asked by police to remove a face mask to ascertain identity.*
  - f. if the person is performing work in an **indoor space**:
    - i. either:
      - A. in an office where no other people are present; or
      - B. in a seated position or standing position at a workstation; and
    - ii. at least 1.5 metres from any other person; or

*Note: As soon as a person is no longer alone or seated or stationary that person must wear a **face mask**.*
  - g. if the person is in a vehicle alone or with other members of the same **household** only; or
  - h. if the person is seated at the premises of a **retail food service**; or
  - i. if it is required or authorised by law; or
  - j. if it is not safe in all the circumstances; or
  - k. because of an emergency; or
  - l. in accordance with any policies or procedures applicable within a **hospital**.
8. A person who removes their **face mask** in a circumstance under paragraph 0 must resume wearing the **face mask** as soon as practicable after the circumstance ends.

*Example: a person must resume wearing a face mask as soon as they finish eating, drinking or receiving medical care.*

## PART 2 – OTHER DIRECTIONS

### A. Directions

9. An **authorised person** may ask a person for any information necessary to determine whether the person is subject to this Direction.
10. Any person must comply with any request made under paragraph 9 by an **authorised person**.

11. An **authorised person** may direct a person who is subject to this Direction to do such things as are reasonably necessary to comply with this Direction.

*Examples of directions:*

*An authorised person may direct a person to put on a **face mask** in a way that it covers the person's nose and mouth.*

*An authorised person may direct a person to explain the nature of a physical or mental health illness or condition, or disability, that prevents the person from wearing a **face mask**.*

12. Any person subject to this Direction must comply with any request under paragraph 0 by an **authorised person**.
13. If a person fails to comply with this Direction, an **authorised person** may direct the person to do such things as are reasonably necessary to comply with this Direction including to produce proof of identification to the **authorised person**.
14. If a person fails to comply with any direction given under paragraph 13, then the **authorised person** may take all reasonable steps to enforce compliance with the direction.

## PART 3 – MISCELLANEOUS

### A. Exemptions from this Direction

15. The Chief Health Officer may, in writing and subject to any conditions that the Chief Health Officer considers necessary, exempt a person from this Direction, or a stated requirement under this Direction, on grounds that the Chief Health Officer considers reasonable and appropriate.
16. If the Chief Health Officer exempts a person from this Direction, or a stated requirement under this Direction that person must comply with the conditions of the exemption.
17. An **authorised person** may, in writing and subject to any conditions that the **authorised person** considers necessary, exempt a person from the requirement to wear a **face mask**.
