

Residential Tenancies (Approved Installers) Determination 2023

Notifiable instrument NI2023–174

made under the

Residential Tenancies Regulation 1998, s 13 (Approved Installers)

1 Name of instrument

This instrument is the *Residential Tenancies (Approved Installers) Determination 2023*.

2 Commencement

This instrument commences on 1 April 2023.

3 Determination

I determine the following as the requirements a person must satisfy to install ceiling insulation for Part 3 of the Residential Tenancies Regulation 1998:

- (a) holds a current certification as a Certified Insulation Installer under an ACT Government recognised certification framework; or
- (b) holds a current provisional certification under an ACT Government recognised certification framework; and
 - (i) is supervised on-site by at least one person who holds a current certification as a Certified Insulation Installer under an ACT Government recognised certification framework.

Note: The Certified Insulation Installer Certification under the Energy Efficiency Council's Professional Certifications Framework is a certification framework recognised by the ACT Government.
