

THE TERRITORY FOR THE SEAT OF GOVERNMENT.

Regulations under the Building and Services Ordinance 1924-1928.

PURSUANT to the powers conferred upon me by the *Building and Services Ordinance* 1924-1928, I, Arthur Blakeley, the Minister of State for Home Affairs, hereby make the following Regulation to come into operation forthwith.

Dated this fourth day of August, 1931.

ARTHUR BLAKELEY
Minister of State for Home Affairs.

AMENDMENT OF CANBERRA ELECTRIC SUPPLY REGULATIONS.

Regulation 6 of the Canberra Electric Supply Regulations is repealed and the following regulation inserted in its stead:—

“6.—(1.) The charges for the supply of electricity for domestic charges and commercial purposes shall be:—

	Per unit.
For lighting	6d.
For power	1½d.
For power in continuous use in connexion with a hot-water system	¾d.

(2.) The charges prescribed in the last preceding sub-regulation shall be deemed to apply in connexion with—

- (a) premises used for residential purposes only;
- (b) premises in which the power load consists of heating and cooking appliances only;
- (c) premises in which the power load consists of motors, the total connected horse-power of which does not exceed two horse-power;
- (d) premises in which the power load consists of heating appliances and motors where the total connected horse-power of the motors does not exceed two horse-power.

(3.) The charges for the supply of electricity for power for industrial purposes shall be—

	Per unit.
For each unit up to 500 units consumed in any one month	2½d.
For each unit over 500 units so consumed up to 1,000 units	2d.
For each unit over 1,000 units so consumed up to 5,000 units	1¾d.
Where consumption per month is over 5,000 units	Such rate as the Minister determines.

(4.) For the purposes of the last preceding sub-regulation, "industrial purposes" shall mean purposes other than those indicated in sub-regulation (2.) of this regulation.

(5.) The charges prescribed in this regulation shall apply as regards any particular person with respect to all electricity consumed by that person on and from the first reading made, after the first day of August, One thousand nine hundred and thirty-one, of the meter or meters installed for the registration of the amount of electricity consumed by that person.
