

AUSTRALIAN CAPITAL TERRITORY.

Regulations under the Public Health Ordinance 1928-1930.

I, FREDERICK HAROLD STEWART, the Minister of State for Health, in pursuance of the powers conferred by the *Public Health Ordinance 1928-1930*, hereby make the following Regulations.

Dated this ninth day of October, 1939.

F. STEWART,
Minister of State for Health.

AMENDMENT OF THE PUBLIC HEALTH (DAIRY) REGULATIONS.

After regulation 40 of the Public Health (Dairy) Regulations the following regulations are inserted:—

“40A.—(1.) A person shall not sell cream—

Sale of
cream.

- (a) to which any other substance has been added;
- (b) under any description other than that of ‘cream’ or ‘reduced cream’;
- (c) under the description of ‘cream’ unless it contains thirty-five per centum of milk fat; or
- (d) under the description of ‘reduced cream’ unless it contains twenty-five per centum of milk fat.

(2.) A person shall not sell, under the description of ‘cream’ or ‘reduced cream’, any substance which is not cream.

(3.) For the purposes of this regulation, ‘cream’ means that portion of milk in which, either through rest or mechanical separation the greater part of the milk fat in the milk has become concentrated.

“40B.—(1.) A person shall not sell reconstituted cream—

Sale of
reconstituted
cream.

- (a) under any description other than that of ‘reconstituted cream’ or ‘reconstituted reduced cream’;
- (b) under the description of ‘reconstituted cream’ unless it contains thirty-five per centum of milk fat; or
- (c) under the description of ‘reconstituted reduced cream’ unless it contains twenty-five per centum of milk fat.

(2.) A person shall not sell under the description of ‘reconstituted cream’ or ‘reconstituted reduced cream’ any substance which is not reconstituted cream.

(3.) For the purposes of this regulation, ‘reconstituted cream’ means the fluid produced by emulsifying a mixture of butter and milk or water and dried skim milk or separated milk with the aid of heat and agitation.”
