

AUSTRALIAN CAPITAL TERRITORY.

Regulations 1943. No. 5.

Regulations under the Building and Services Ordinance 1924-1942.*

I JOSEPH SILVER COLLINGS, the Minister of State for the Interior, in pursuance of the powers conferred by the *Building and Services Ordinance 1924-1942*, hereby make the following Regulations.

Dated this thirtieth day of August, 1943.

J. S. COLLINGS

Minister of State for the Interior.

AMENDMENTS OF THE CANBERRA AND JERVIS BAY ELECTRIC SUPPLY REGULATIONS.

1.—(1.) Regulation 6B of the Canberra and Jervis Bay Electric Supply Regulations is amended—

Hire of electric stoves and electric water heaters.

(a) by omitting paragraph (d) and inserting in its stead the following paragraph:—

“ (d) (i) The hirer agrees to consume in each period of twelve calendar months calculated from the date of the first quarterly reading of the meter for each such apparatus subsequent to the date of its installation such minimum number of units as the Minister from time to time determines, but not exceeding eight hundred units in respect of an electric stove and four hundred units in respect of an electric water heater, as registered by a separate meter for each such apparatus. ✓

(ii) If in any such period the hirer does not consume in any such apparatus such minimum number of units, the hirer agrees to pay at the rate of 1½d. per unit for each unit by which the number of units actually consumed as registered by the meter falls short of the relevant number of units for the apparatus concerned:

Provided that where, under this subparagraph, a hirer incurs, in respect of any such period, a liability to pay in respect of any such apparatus a sum of money, the obligation shall be discharged if the consumption of electricity registered on the power and light meters during that period amounts to a total of not less than one thousand units.

* Notified in the *Commonwealth Gazette* on 30th September, 1943.

(iii) The hirer agrees to pay at the rate of 1¹/₂d. per unit for each unit consumed during the period commencing on the date the apparatus is installed up to and including the date of the first quarterly reading of the meter for such apparatus subsequent to the date of its installation.”; and

✓ (b) by omitting the proviso at the end thereof.

(2.) This regulation shall be deemed to have commenced on the first day of April, 1943.

Wiring Rules.

2. Regulation 29 of the Canberra and Jervis Bay Electric Supply Regulations is amended—

(a) by omitting from sub-regulation (1.) the words “Electrical Wiring Rules of the Institution of Engineers, Australia (in these Regulations referred to as ‘Institute Rules’)” and inserting in their stead the words “Standards Association of Australia Wiring Rules No. C. C. 1, Parts I. and II.”; and

(b) by omitting sub-regulation (3.).

By Authority: L. F. JOHNSTON, Commonwealth Government Printer, Canberra.
