

AUSTRALIAN CAPITAL TERRITORY.

Regulations 1946. No. 5.*

Regulation under the Building and Services Ordinance 1924-1942.

I HERBERT VICTOR JOHNSON, Minister of State for the Interior, in pursuance of the powers conferred by the *Building and Services Ordinance 1924-1942*, hereby make the following Regulation.

Dated this twenty-second day of October, 1946.

VICTOR JOHNSON
Minister of State for the Interior.

AMENDMENT OF THE CANBERRA AND JERVIS BAY ELECTRIC SUPPLY REGULATIONS.

Regulation 22 of the Canberra and Jervis Bay Electric Supply Regulations is repealed and the following regulations inserted in its stead:—

“22. Where the proper authority receives an application for the supply of electricity to any premises, and that supply necessitates the extension of a low tension electric line wholly within the City Area, the proper authority may require the applicant to guarantee that the gross annual revenue received by reason of the extension (if made) shall not be less than 20 per centum of the cost of and incidental to that extension, and the applicant shall pay on demand the amount (if any) by which the gross annual revenue in any year is less than 20 per centum of that cost.

Extensions in City Area.

“22A.—(1.) Where the proper authority receives an application for the supply of electricity to any premises, and that supply necessitates the extension of an electric line within a rural area, or partly within the City Area and partly within a rural area, the proper authority may require the applicant to guarantee that the gross annual revenue received by reason of the extension of a high tension line and the extension of any low tension from the high tension line shall not be less than Eight pounds, and the applicant shall pay on demand the amount (if any) by which the gross annual revenue in any year is less than that amount.

Extensions in rural area or partly in City Area and partly in rural area.

(2.) The provisions of the last preceding sub-regulation shall apply to any application or applications for the supply of electricity to any premises necessitating the extension of electric lines within a rural area or partly within the City Area and partly within a rural area notwithstanding that any such extension has been made prior to the date of the commencement of this regulation.”
