## About this republication

### The republished law

This is a republication of the *Nature Conservation Regulation 1982* (repealed), made under the *Nature Conservation Act 1980*, including any amendment made under the *Legislation Act 2001*, part 11.3 (Editorial changes). It also includes any commencement, amendment, repeal or expiry affecting this republished law to 12 June 2015.

The legislation history and amendment history of the republished law are set out in endnotes 3 and 4.

### Kinds of republications

The Parliamentary Counsel's Office prepares 2 kinds of republications of ACT laws (see the ACT legislation register at [www.legislation.act.gov.au](http://www.legislation.act.gov.au)):

- authorised republications to which the *Legislation Act 2001* applies
- unauthorised republications.

The status of this republication appears on the bottom of each page.

### Editorial changes

The *Legislation Act 2001*, part 11.3 authorises the Parliamentary Counsel to make editorial amendments and other changes of a formal nature when preparing a law for republication. Editorial changes do not change the effect of the law, but have effect as if they had been made by an Act commencing on the republication date (see *Legislation Act 2001*, s 115 and s 117). The changes are made if the Parliamentary Counsel considers they are desirable to bring the law into line, or more closely into line, with current legislative drafting practice.

This republication does not include amendments made under part 11.3 (see endnote 1).

### Uncommenced provisions and amendments

If a provision of the republished law has not commenced, the symbol **U** appears immediately before the provision heading. Any uncommenced amendments that affect this republished law are accessible on the ACT legislation register ([www.legislation.act.gov.au](http://www.legislation.act.gov.au)). For more information, see the home page for this law on the register.

### Modifications

If a provision of the republished law is affected by a current modification, the symbol **M** appears immediately before the provision heading. The text of the modifying provision appears in the endnotes. For the legal status of modifications, see the *Legislation Act 2001*, section 95.

### Penalties

At the republication date, the value of a penalty unit for an offence against this law is \$150 for an individual and \$750 for a corporation (see *Legislation Act 2001*, s 133).

3 Legislation history

### 3 Legislation history

This regulation was originally called the *Nature Conservation Regulations* and was originally made under a Commonwealth ordinance—the *Nature Conservation Ordinance 1980* No 20 (Cwlth).

The *Australian Capital Territory (Self-Government) Act 1988* (Cwlth), s 34 (4) converted most former Commonwealth ordinances in force in the ACT, and the regulations made under them, into ACT enactments. This allowed the ACT Legislative Assembly to amend and repeal the laws. The *Nature Conservation Ordinance 1980* A1980-20 and the *Nature Conservation Regulations* were converted into ACT enactments on 11 May 1989 (self-government day).

As with most ordinances in force in the ACT, the name was changed from *Ordinance* to *Act* by the *Self-Government (Citation of Laws) Act 1989* A1989-21, s 5 on 11 May 1989 (self-government day).

This regulation was renamed under the *Legislation Act 2001*.

Before 12 September 2001, regulations commenced on their notification day unless otherwise stated (see *Interpretation Act 1967* s 50).
