

AUSTRALIAN CAPITAL TERRITORY

## **Epidemiological Studies (Confidentiality) Regulations**

**Subordinate Law No. 24 of 1992<sup>1</sup>**

---

The Australian Capital Territory Executive makes the following  
Regulations under the *Epidemiological Studies (Confidentiality) Act 1992*.

Dated 2 November 1992.

WAYNE BERRY  
Minister

TERRY CONNOLLY  
Minister

---

**Citation**

1. These Regulations may be cited as the Epidemiological Studies (Confidentiality) Regulations.

**Commencement**

2. These Regulations commence on the day on which they are notified in the *Gazette*.

**Interpretation**

3. In these Regulations, unless the contrary intention appears—  
“the Act” means the *Epidemiological Studies (Confidentiality) Act 1992*.

**Prescribed study**

4. (1) For the purposes of paragraph (b) of the definition of “prescribed study” in subsection 3 (1) of the Act, the Territory epidemiological study known as the Feasibility Research into the Controlled Availability of Opioids, being the study—

- (a) in relation to the feasibility of a trial of providing opioids in a controlled manner to users of opioids in the Territory;
- (b) that is conducted jointly by the National Centre for Epidemiology and Population Health and the Australian Institute of Criminology; and
- (c) that commenced in May 1991;

is declared to be a study to which the Act applies.

(2) In subregulation (1)—

“opioid” means—

- (a) opium; or
- (b) a drug that has a morphine-like pharmacological effect, being a synthetic or semi-synthetic drug or an opium derivative.

---

**NOTE**

1. Notified in the ACT Gazette on 9 November 1992.
